DETAILS

THE FREEDOM DIVIDEND

Andrew Yang, a Democrat running for President wants to put **\$1,000/mo (tax-exempt)** into every US adult's hands. He has done the math, we have the money, and companies like Amazon (who paid \$0 in taxes last year) will start paying their fair share.

OTHER NOTABLE POLICIES

- ▲ Reduce & Control Prescription Costs
- ▲ Medicare For All
- ▲ Human-Centered Capitalism
