ANDREW YANG

Curious about this Democratic candidate? Here are a few of his policies that he is passionate about implementing to **strengthen** the national economy, starting with: the American people **ourselves**.

"As a society, we can't hide from the future; we have to build and own it."

Universal basic income

Medicare for all

Reduce student loans

Reduce mass incarceration

Paid family leave

Equal pay

Right to privacy

HUMANITY FIRST

WANT TO KNOW MORE?

These policies are the tip of the iceberg for what candidate Yang has in store to improve our nation from all spheres of concern. Visit yang2020.com to get to know candidate Yang, his vision for the future of America, and his scheduled events to see when he will arrive at a city near you. To take the load off you, we'll even provide a QR code that links directly to Yang's full list of policies!
