

Before & After Freedom Dividend

The Freedom Dividend will improve the lives of every American. With a few smart money practices you can use Freedom Dividend to create long term financial stability.

Created by M.A Smith

✓ Issues resolved ✗ Issues exist

Money issues **before** Freedom Dividend

- ✗ Unexpected expenses leading to **new debt**
- ✗ High **revolving debt** with high interest
- ✗ No or **low savings** and/or cashflow assets
- ✗ **Stress** related illness due to low income
- ✗ **Overwhelmed** by money matters
- ✗ Working at a **bad job** because of income
- ✗ **Fear** to leave abusive relationship due to no income
- ✗ Stuck in the money **rat race**

Likely results **after** Freedom Dividend

- ✓ Unexpected expenses offset by Freedom Dividend
- ✗ High **revolving debt remains** without changed behavior
- ✗ No or **low savings remains** without changed behavior
- ✓ **Less income related stress** due to guaranteed dividend
- ✓ **More relaxed** with a money safety net
- ✓ Freedom to explore **better jobs**
- ✓ **Income** to assist in leaving a abusive relationship
- ✗ The money **rat race remains** without changed behavior

Complete the awesomeness by resolving ALL issues with these three steps today:

1

Save money every check.
Ideally 10%. Don't wait, start today with even \$5/check.

2

Make monthly debt payment to all accounts.
Pay them off ASAP by living below your means and cutting up all but one credit card.

3

Buy cash flow generating assets. Assets can bring in passive income and get out the rat race.
