

# ★ WHY DO YOU SUPPORT ANDREW YANG ★

## — FOR PRESIDENT? —

*"The Freedom Dividend honors stay at home moms, parents and single moms/parents for their work as important contributions to society."*

- Robyn

*"[Andrew advocates for] quality treatment for mental illness & addiction! Early education in regards to emotional awareness of children. Extreme makeover of the educational system"*

- Liz

*"As a woman, I would love to finally have a female president. But I've worked at a domestic violence shelter for 10 years. I work with kids with special needs. \$1,000/month would help so many women I work with."*

- Bethany

*"Being able to take care of our children without the financial stress. To feel like our worth is valued. Our kids are our future and they need us adults to be there, be present, to guide and love them."*

- Kellie

*"Combo of so many things. Our future in regards to Climate Change, AI taking jobs, looking to ways we can thrive, revamping educational systems and emotional awareness of children, etc. As a mother, and worker in the IT industry - he's the only choice!!"*

- Lina

# Women for Yang 2020
