THE AMERICAN DREAM IS DYING BY THE NUMBERS

Half of all kids today will make less than their parents.

6 out of 10 Americans are living paycheck-to-paycheck.

Life-expectancy has declined for the past **three years in a row**. (Inability to cope with financial stress has led to drug overdoses and suicides at an alarming rate.)

POVERTY TRAPS WOMEN
IN ABUSIVE RELATIONSHIPS.

POVERTY TRAPS WORKERS
IN EXPLOITATIVE JOBS.

POVERTY TRAPS PEOPLE OF COLOR IN DEFACTO SEGREGATION.

POVERTY DESTROYS COMMUNITIES, FAMILIES, AND DREAMS.

POVERTY IS A MONSTER.

LETS ABOLISH IT.

It's not a *you* problem, it's an *us* problem.
Let's work together to fix this.

WHAT WOULD YOU DO
with an **extra**
\$1000 a month?

Let's end poverty in the fastest possible way: giving every American adult the #FreedomDividend
